IMPORTANT ENROLLMENT FEE INCREASE NOTICE

Due to a recent State budget decision,

California Community College enrollment fees have been increased from \$20 to \$26 per unit effective for the Fall 2009 term. Students who have qualified for and received approval for the Board of Governors fee waiver will have their full enrollment fee waived and no further action is necessary on their part. Students who have already submitted fees

at the \$20 per unit rate will be required to submit payment for the difference. Payments can continue to be made on WebAdvisor, TREG, and in-person at the college.
